

North Port High School Theatre & Dance Department

The North Port High School Theatre & Dance Department are in need of business sponsors for the 2018-2019 school year. As a business sponsor you would be helping to fund Fine Arts education programming at North Port High School. Sponsors are listed in all programs distributed at each show, and receive two complimentary tickets to the Theatre and Dance Department performance of their choice.

North Port High School's Theatre Department is entering its 18th season. Since 2001 North Port High School has produced 75 shows that have been seen by over 14,500 Patrons. We anticipate the 2018-2019 season to be the most exciting yet. We are currently planning shows that will captivate our audience and challenge our students both on and off the stage. Our season will open in October with the campy musical, *Evil Dead* followed by five more exciting shows.

Our Dance Department is entering its 16th season. We will open November 30th with three different performances, featuring works from several guest artists, and the Nutcracker Suites with a Sunday Matinee Sugar Plum Tea Party. Our two Spring performances will feature choreography from our students, guest choreographers, and faculty. The growth of our dance department has resulted in the need to add a second full time staff member, and new studio space.

We are excited to share our students work, talent, and passion with our wonderful community! The money accumulated from sponsorships will be used to help fund student scholarships, guest artists, production costs, and field trips. All of these opportunities will enrich the training and experience of our students. We appreciate any contributions you may like to make. Listed below are our advertisement/sponsorship options.
